Dear Dr. Kukovics,

Thank you for your contribution to the International Goat Association by serving on the Board of Directors from 2016-2021, during my presidency. I appreciate your participation in all Board and committee activities, especially your leadership of the ICG Committee, and exemplary organization of the hugely successful Virtual Goat Conference in November 2021.

I am delighted that we could travel to so many countries together before Covid arrived. IGA is fortunate that you will continue to serve on the Board, and I look forward to a wonderful ICG in Hungary in 2022.

I have attached some of my favorite pictures from our travels over the past 5 years. I am so lucky that you have become a valued colleague and personal friend through IGA.

Thank you for all that you do.

Best regards,

*Beth*
